

May 2017

Dear Parent/Carer

Re: Year 7 Parents' Evening

Since September the students in Year 7 have made excellent progress and have covered a wide range of subjects. You have already received reports that tell you what level your son/daughter has been working at throughout the year. We are now in a good position to give you an up-to-date appraisal of their academic progress.

Links between home and College as part of the campaign for success are essential. I am keen to see all the parents of our Year 7 students as I know you will want to play a key role in the future of your child to help them gain the highest possible levels of attainment.

I therefore would like to invite you to:

Year 7 Parents' Evening
Wednesday 17 May 2017 - 3.30pm – 7.00pm

You can meet with the subject teachers to share and discuss successes, worries or concerns

Mr Harnell and I will also be available during the evening to discuss progress, listen to comments and continue the partnership between home and College.

The indicators of attainment, achievement, attendance, rewards and commendation for the current Year 7 cohort are excellent and they are sustaining a healthy attitude to learning. We are optimistic that they will prove to be one of the highest achieving Year Groups in Minsthorpe history.

Your child has an appointment sheet in their planner in order to make appointments at a time which is convenient to you. Please advise your child as to the times, which would be most suitable to for you to attend. Please would you complete the slip below and return it to College as soon as possible.

I hope you will make every effort to attend with your son/daughter.

When you arrive at the Science and Design Technology block please sign in, you will be issued with a plan of where to locate teaching staff.

We very much look forward to seeing you on Wednesday 17 May 2017.

Yours sincerely

L Bigland

L Harnell
