

# Apprenticeship Seminars Autumn 2018

Are you a parent, carer or young person interested in finding out more about apprenticeships? If so, come along to one of our seminars.

## Delivered by employers

Come and listen to key employers in the city talk about apprenticeship opportunities in their company and be inspired by the range and level of vacancies available.

The Government is committed to creating 3 million apprenticeships by 2020, so more and more big businesses are offering apprenticeship programmes at all levels including degree level.
