## What to do if..... ????

Problem	Action
	You must make every effort to be on time to College. However, if you are late, you must go straight to ST4 where you will be given a late slip which you will show to your classroom teacher upon arrival.
	If you are ill and cannot attend college, your parents/carers must contact college with the reason for absence before 9am on the morning of absence. This can be done by either: Telephone: 01977657600 E-mail: <a href="mailto:enquiries@minsthorpe.wakefield.sch.uk">enquiries@minsthorpe.wakefield.sch.uk</a>
	Students are not allowed to leave site during College hours. If you have a medical appointment during the day, you must take a note/medical card to ST4, where the teacher will organise for you to be escorted off site.
	Notify your classroom teacher that you need to go to the toilet. Your teacher will email for a member of staff to come and escort you to the year 7 toilets.
	Listen carefully to your teachers instructions. Staying in your class group, carefully and sensibly go to the nearest exit and make your way to the astroturf. Line up in your teaching groups behind your designated number. Your teacher will take a register to make sure everyone is there.
	You must notify your classroom teacher that you feel unwell. Your teacher will email for a member of staff to come and escort you to ST4 where you will remain until we have permission to allow you to go home.
	It is vital that we can contact home in an emergency. Please ensure you inform your period 1 teacher immediately of any changes to your contact numbers/addresses.
	You are expected to look after your property carefully and must not bring valuables into College. If you do lose something, ask your classroom teacher to send an email to your CCTL who will support you in locating your lost item.
	Tell the teacher on the gate when you arrive at college and they will escort you to ST4 where you can lend the correct uniform for the day.

## Design your own super hero

As this year is the 'Year of the Super Hero', can you design, draw and label your very own hero.

What characteristics and super powers would your ideal hero have?

As a group, on the large piece of paper, design your own group hero using all the best features from everybody's heroes.

## Notice Board

Choose a blank 'Hero' template,  
Neatly colour in and then cut out your hero.  
(Continue with this activity in your morning sessions for the remainder of the week)  
As a group, you will use these heroes to create a border for your notice board.  
Remember: Make it lovely and colourful!

Mrs Raistrick and Mrs Paul will come round to take a look at your hard work.

I believe everyone  
has a superhero  
inside them waiting  
to be discovered.
