

January 2025

Dear Parent/Carer

### **Think and Go Higher Attainment Raising Programme**

Your child has been selected to continue their involvement in the Attainment Raising Programme, Think and Go Higher, delivered by the partnership Go Higher West Yorkshire. This will involve your child attending 5 sessions after school and 1 visit to a university in West Yorkshire, during the academic year 2024-2025

After school sessions will be on Tuesdays 14.30-15.30, starting on Tuesday 14<sup>th</sup> January 2025 with session 5 being Tuesday 11<sup>th</sup> February 2025. The programme is fully funded by Go Higher West Yorkshire, including the off-site visit.

The programme is focused on developing your child's academic skills, including debating, communication, planning and organising work in order to improve their performance in all subject areas, and in order to support them in preparing for higher education and their next steps.

GHWY have also produced a free guide for Parent/Carers which is packed full of information and activities to support your child/dependant to develop their learning skills, see <https://gohigherwestyorks.ac.uk/resources/student-learners/parents-and-carers/support/>

If you have any further questions, please don't hesitate to contact Hannah Buckle, UniConnect Outreach Officer at Minsthorpe Community College:
