

5th June 2024

Dear Parent/Carer,

Re: Live Virtual Author Visit

This letter is to inform you that your child has been chosen to take part in a Live Virtual Author Visit from Clare Harlow. The event will take place during Period 2 on Friday 28th June.

Clare will lead an immersive and engaging session bringing her brand-new book, *Tidemagic*, to life, exploring the wondrous world of Shelwich and the fantastic cast of characters in this unforgettable adventure. Students will also hear tips and tricks on writing their own magical adventure and have the opportunity to ask questions. After the live event, students will then take part in an enrichment activity linked to the author and novels she has written.

As the session runs during Snack Break 2, students will need to bring a packed lunch to eat in the classroom after the session has finished. Students receiving Free School Meals will be catered for.

Yours sincerely,

E Hitchens
