What if my child is absent or refuses?

We hold catch up sessions in school throughout the year where we will attempt to see your child again. Alternatively, clinic invitations may be sent.

We also include the opportunity to consent for the MMR vaccination/s if your child is not up to date. Your child should have received 2 doses to be fully protected. If you're unsure we recommend you give consent, and we will check your child's health record prior to vaccination.

Call us on **01924 310133** if you have any problems or questions. The team will be happy to help.

Yours sincerely,
